RE: VOLUNTEER REQUEST

Our organization is responsible for helping respond in the Pigeon Lake region if a disaster occurs. REMA is looking for volunteers who would be willing to help operate a reception centre if a disaster that occurs.

The reception centre is a facility that can be used as a gathering place, check-in location, information site, or even provide temporary food and shelter for your fellow **residents** especially during a period of evacuation.

Time commitment entails a training session, and one annual exercise.

Please contact [director@pigeonlakeemergencyagency.ca](mailto:director@pigeonlakeemergencyagency.ca) or visit us online if you would like additional information.

Sincerely,

Director Emergency Management (DEM)
